

## Bay Range Rules

- All firing will be supervised by range officers, when present.
- Instructions from range officers will be final.
- Eye and hearing protection is strongly recommended. Blue Creek Sport Shooting Complex is not liable for injuries incurred by shooters not wearing eye and hearing protection.
- There will be absolutely no handling, casing, uncasing, or cleaning of firearms when someone is down range.
- If a malfunction occurs: The individual having the misfire MUST call for a cease fire. All individuals firing will cease firing until firearm is cleared. Any attempts to clear the firearm must occur with the muzzle pointed in a safe direction at all times.
- Targets should be placed near the rear backstop of the bay; shooter should step back from the targets to desired firing distance. This distance is then becomes the firing line.
- Any individuals not firing must remain 5 feet behind the firing line.
- Spectators not shooting at all should remain behind the fence.
- No diagonal shooting (cross firing) is permitted.
- Rapid fire shooting is prohibited.
- Armor piercing and tracer rounds are not permitted.
- Full automatic firearms are not permitted
- Absolutely no horseplay will be tolerated. If you are in the bay, act responsibly.
- Pick up empty shells and trash when finished.
- Immediately report any unsafe behavior to range officers.
