

Skeet, Trap Range Rules

- This range is primarily for the use of skeet and trap shooting.
- Eye and hearing protection is strongly recommended. Blue Creek Sport Shooting Complex and its directors are not liable for injuries incurred by shooters.
- Shot size larger than 7 1/2 is not permitted.
- Firearms must be pointed downrange at all times.
- Only shotguns are permitted on the range.
- Firearms behind the firing line are to be unloaded.
- Firing is to be directed only at clay targets.
- Firearms must be empty and actions are to be open when moving from one station to another.
- Empty shell casings are not to be retrieved until the round is complete and machines are turned off.
- All trash is to be placed in the proper receptacles.
- Absolutely no horseplay will be tolerated.
- Immediately report any unsafe behavior to range officers.

For information on skeet shooting check out the [National Skeet Shooting Association](#) website.

Sporting Clay Rules

- This course is primarily for the use of sporting clays.
- Eye and hearing protection is strongly recommended. Blue Creek Sport Shooting Complex and its directors are not liable for injuries incurred by shooters.
- Shot size larger than 7 1/2 is not permitted.
- Only shotguns are permitted on the range.
- Shots may only be fired from a shouldered firearm.
- No more than 2 shells may be loaded at any time.

- Individuals must stay on established trails.
- If target thrower malfunctions or throws broken clays, do not attempt to service thrower. Activate flashing amber light switch, or move to next station.
- Golf carts must stay on established trails.
- Firearms must be unloaded and actions open when not firing.
- All trash is to be placed in the proper receptacles.
- Absolutely no horseplay will be tolerated.
- Immediately report any unsafe behavior to range officers.
