

Rifle Range Rules

- This range is primarily for the use of sighting in centerfire hunting rifles.
- All firing will be supervised by range officers, when present.
- Instructions from range officers will be final.
- Eye and hearing protection is strongly recommended. Blue Creek Sport Shooting Complex is not liable for injuries incurred by shooters not wearing eye and hearing protection.
- Flashing safety light indicates ceasefire, unsafe to shoot.
- There will be absolutely no handling, casing, uncasing, or cleaning of firearms when safety light is flashing and/or when individuals are downrange setting or checking targets. Looking through firearm scopes is also prohibited at these times.
- All rifle actions MUST be opened, chambers empty, and magazines removed (if possible) at all times when individuals are downrange. Unattended rifles must be behind the safety line (or 3 feet behind the firing line) and have actions opened and magazines removed.
- If firearm malfunction occurs: The individual having the misfire MUST call for a cease fire. All individuals firing will cease firing until firearm is cleared. Any attempts to clear the firearm must occur with the muzzle pointed in a safe direction at all times.
- **No rimfire rifles or pistols** will be permitted on this range.
- Absolutely **no shotguns** will be permitted on this range.
- The 25 yard target is intended for “getting on the paper” when sighting in rifles.
- All rifles being fired must be directed at paper targets fastened to the permanent backboards or at the specialty targets permanently set by range staff.
- Firing at the wooden framework is forbidden.
- Any individuals not firing must remain behind the safety line (or 3 feet behind the firing line).
- No diagonal shooting (cross firing) is permitted.
- Rapid fire shooting is prohibited.
- Full automatic firearms are not permitted.
- Absolutely no horseplay will be tolerated.
- Please pick up empty shells and trash when finished.
- Please retrieve targets when finished shooting.
- Immediately report any unsafe behavior to range staff.
